## The Esker Story

Our idea behind Esker centres around life's journey being a path. A path that takes you on winding adventures, be it around the world, or simply around Sydney. You could be chasing a career, travelling the far reaches of the earth, or just going for a bushwalk in Bidjigal Reserve.

We believe that all roads will eventually lead you home. Inspired by our home in the Hills Shire of Sydney, we craft beers to be enjoyed on that journey.

The Home of Esker is at the Australian Hotel & Brewery in Rouse Hill. Our production facility there has been the only brewery in the Hills Shire since 2010.
